ACCOUNT APPLICATION – ADDITIONAL INFORMATION

Thank you for applying for an account with us.

Please note the following information:

1. Account/Payment Terms

Our payment terms are strictly 30 days net. Monthly. Any deviation of these terms may result in your account being placed on stop and orders being refused until payments are made. If your account is placed on stop for three or more consecutive months, your account will be closed. Written confirmation of the account closure will be given to the contact you have provided. If your account is not used for 12 months, it will become inactive, and you will have to reapply for account facilities.

2. Wasted Journey Charges & Waiting Times

Our current charge for wasted journeys start at £75 + VAT.

Our current waiting time charge after 15 minutes is £75 per hour + VAT.

These prices are of course subject to change and/or increase at our discretion.

3. Annual Price Increases

Unfortunately, every year we have to make an annual price increase in line with the rising inflation and other subsequent increases such as landfill tax, rising fuel costs, insurance premiums etc. We always do our very best to make such increases as affordable as possible to all our customers, prices are however always subject to increase at our discretion.

4. Order numbers

If your company requires order numbers on tickets, then please make our staff aware of this when ordering. You can email purchase orders to orders@culfordwaste.co.uk or alternatively let us know your order number when placing an order over the phone. We will not be held responsible for unpaid invoices if numbers are not given at time of ordering.

5. Signed acceptance on delivery tickets.

Wherever possible we will try our best to deliver to you when you or your customers are on site. Please do be aware that we do not give times but can try to work within a time frame to suit your needs. We always advise that someone is on site to receive delivery and our drivers will often ask for a signature to show acceptance. If this is a requirement for your company to have the documents signed, then please make sure someone is available to sign on site.

The time it takes to open your account depends on how quickly your references take to get back to us. Please therefore provide companies that are happy to discuss your account terms with us, include their email address and telephone number. Many thanks.
